

C# SQL SERVER DEVELOPER. WEHCO Media, Inc., with multi-state newspaper, cable television, high-speed Internet, and digital phone operations has an immediate opening for a C# SQL Server Developer. This position is based at our downtown Little Rock corporate office.

The ideal candidate will have a bachelor's degree in computer sciences, information systems, or a related field, or a minimum of 2 years experience developing database-driven web-based applications.

Requirements:

- Ability to create web applications using C#, ASP.Net Web Forms, JavaScript, Bootstrap, and JQuery
- Ability to work in and interact with SQL Server, including table management, creating views and stored procedures, and writing complex SQL queries
- Use development tools including Visual Studio and SQL Server Management Studio
- Strong independent problem-solving skills

Additional desired skills and experience considered a plus:

- TFS and Azure DevOps
- VBScript
- Mighty ORM
- API calls
- Microsoft IIS
- Responsive Design techniques

We offer excellent full-time salary and benefits. Email your resume to jobs@wehco.com and include C# SQL Server Developer in the subject line.
